15. [] Received a call from George Murphy, Joint Committee on Atomic Energy staff, who said he had talked with OSI on Saturday concerning a possible alert which, according to Murphy, turned out to be a "dud." Murphy continues his interest in []
[] He said he had seen a report (presumably a State Department report) discussing security procedures and practices as they are involved in this case. He wondered whether we had anything on it which could be made available to him. He said he was particularly interested in what we might know about the situation []
[] I told him I would look into this.
